

pairwise distance

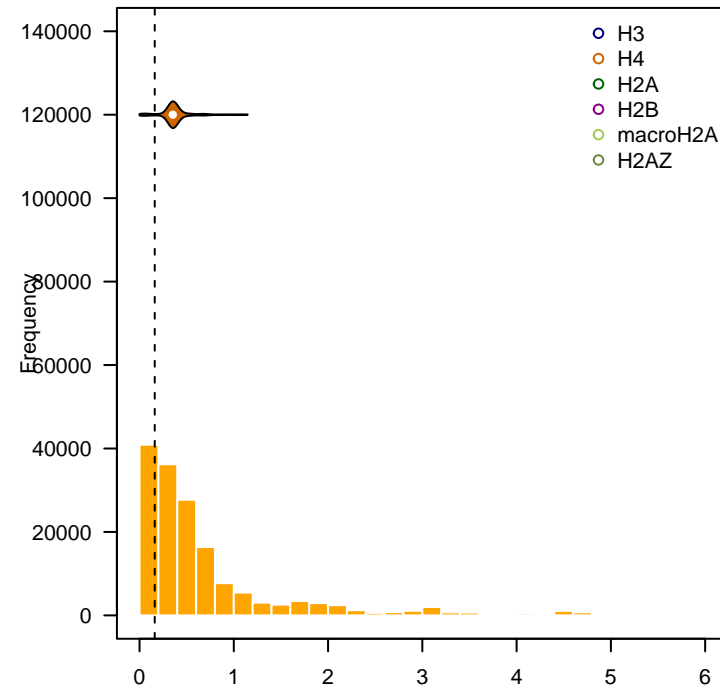

Distance
Median canonical-canonical distance = 0.169

H3

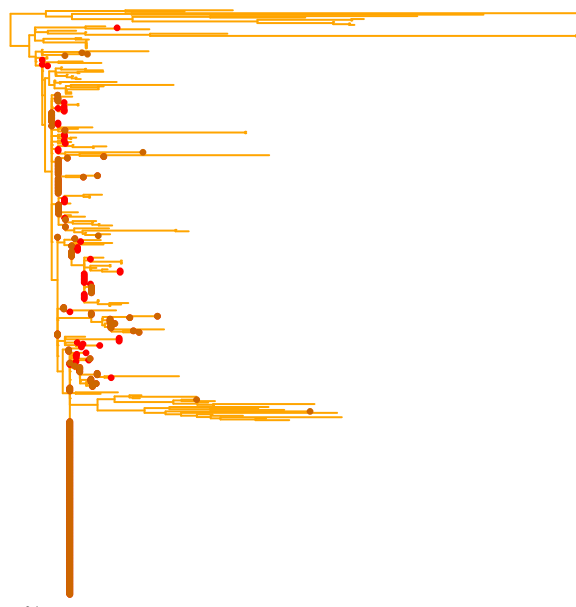

pairwise distance

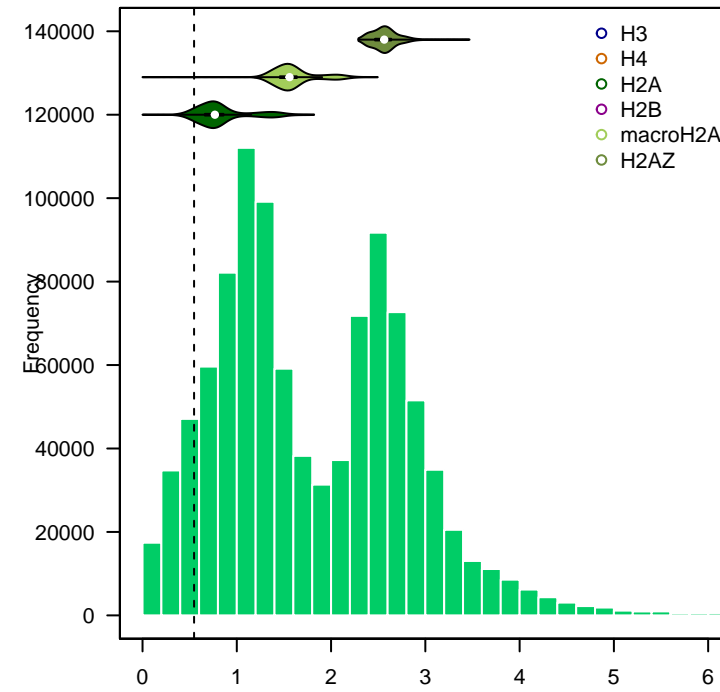

Distance
Median canonical-canonical distance = 0.161

H4

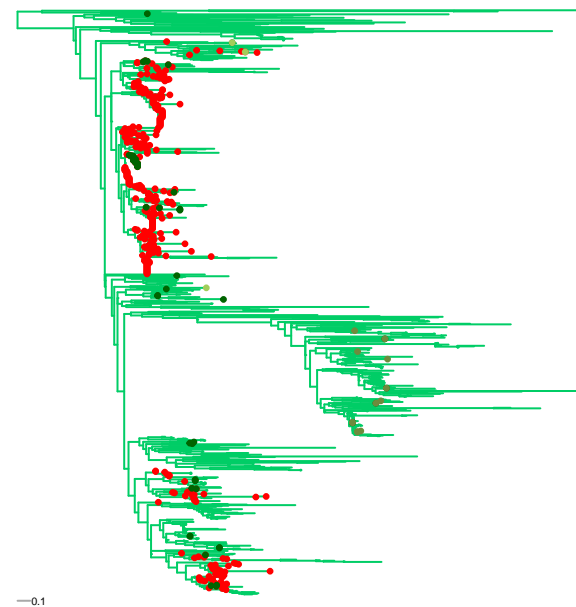

pairwise distance

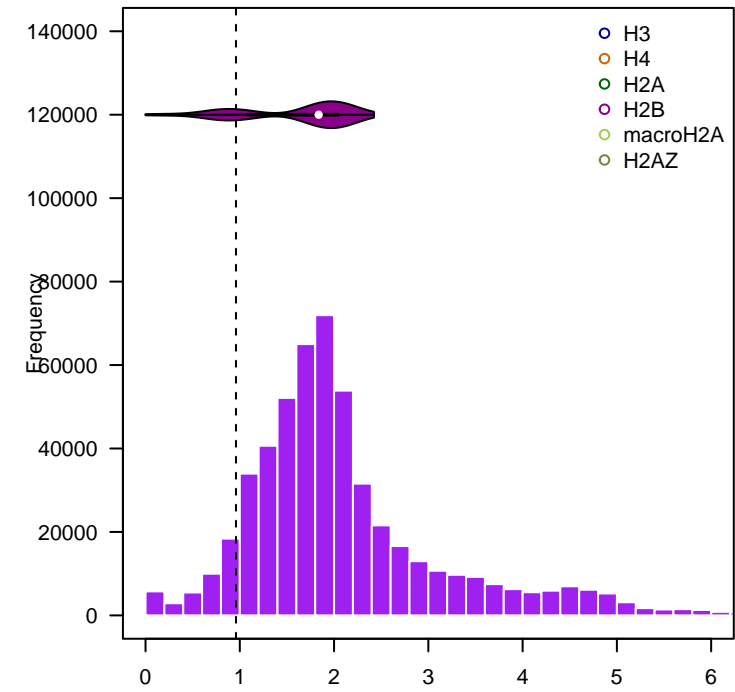

Distance
Median canonical-canonical distance = 0.547

H2A

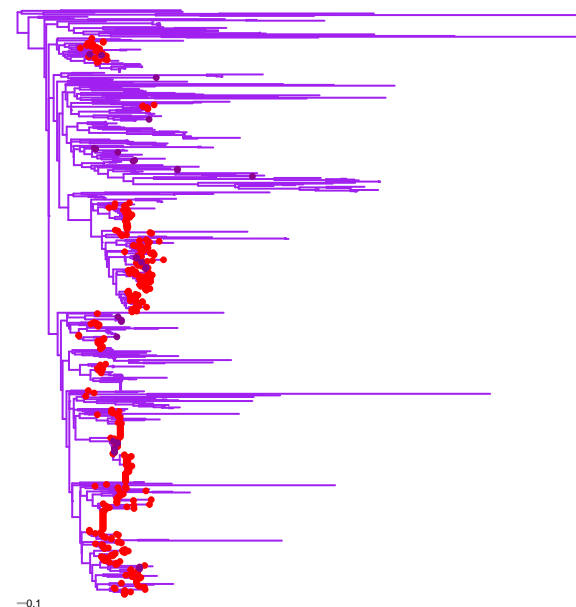

pairwise distance

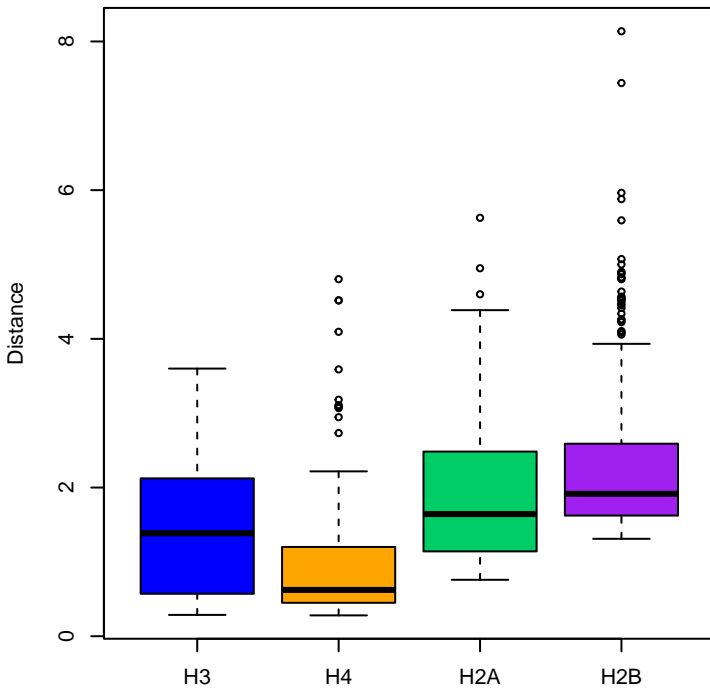

Distance
Median canonical-canonical distance = 0.959

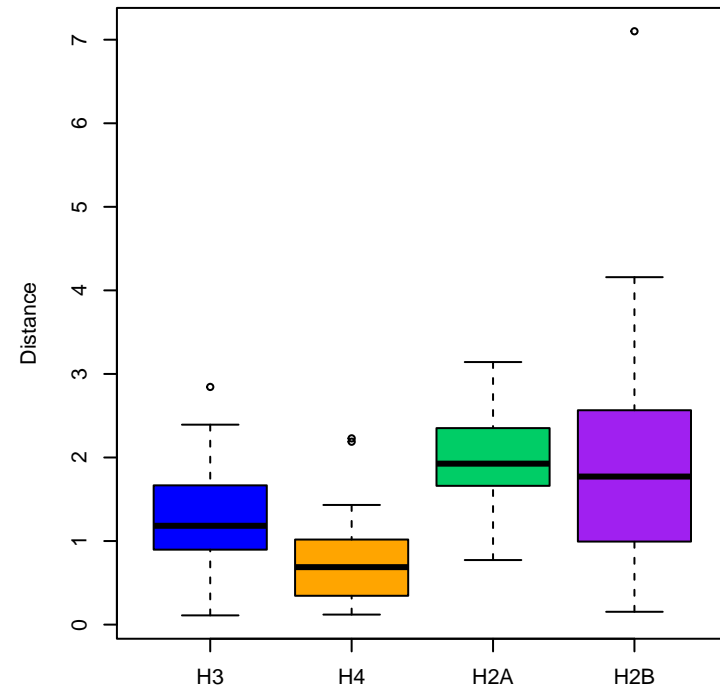

H2B

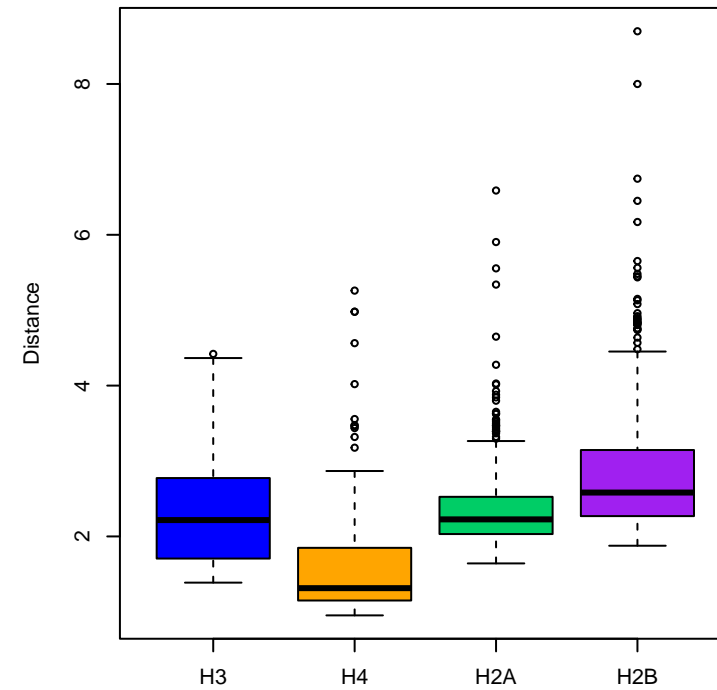

distance canonical–noncanonical

distance canonical–noncanonical, species–wise

distance between noncanonical

distance between canonical
